World Class Care, First Class Service

Fortius Clinic is the UK's leading private orthopaedic and sports injury group. It was founded in London by a group of orthopaedic surgeons and radiologists, with a shared vision of building a worldwide centre of excellence in musculoskeletal care.

The group now includes over 100 specialists, three outpatient and diagnostic clinics, Fortius Surgical Centre and Fortius Joint Replacement Centres.

Our consultants ensure patient care is based on the latest evidence and research, using the most up-to-date procedures and techniques. They hold regular sub-specialty meetings to discuss complex cases and agree on the most effective course of treatment.

Our services

- Consulting in orthopaedics, rheumatology, sports and exercise medicine, radiology and pain management
- Imaging including digital X-ray, ultrasound, MRI scanners and interventional radiology
- Nursing for treatments associated with musculoskeletal conditions
- Biomechanical and gait analysis
- Orthopaedic surgery including joint replacement and spinal procedures

Sports medicine

Fortius Clinic takes care of more elite athletes than any other provider in Europe, and many of our specialists hold clinical roles in sport. We look after the UK's premier football and rugby clubs and are proud to be one of the few centres in Europe accredited by FIFA as a Medical Centre of Excellence. We are an active partner with the Rugby Players Association and the official sports medicine partner of Premiership Rugby club Harlequins.

Sharing our expertise

Fortius Clinic is committed to providing education in orthopaedics and sports medicine and our consultants are dedicated to sharing their expertise and the latest practices.

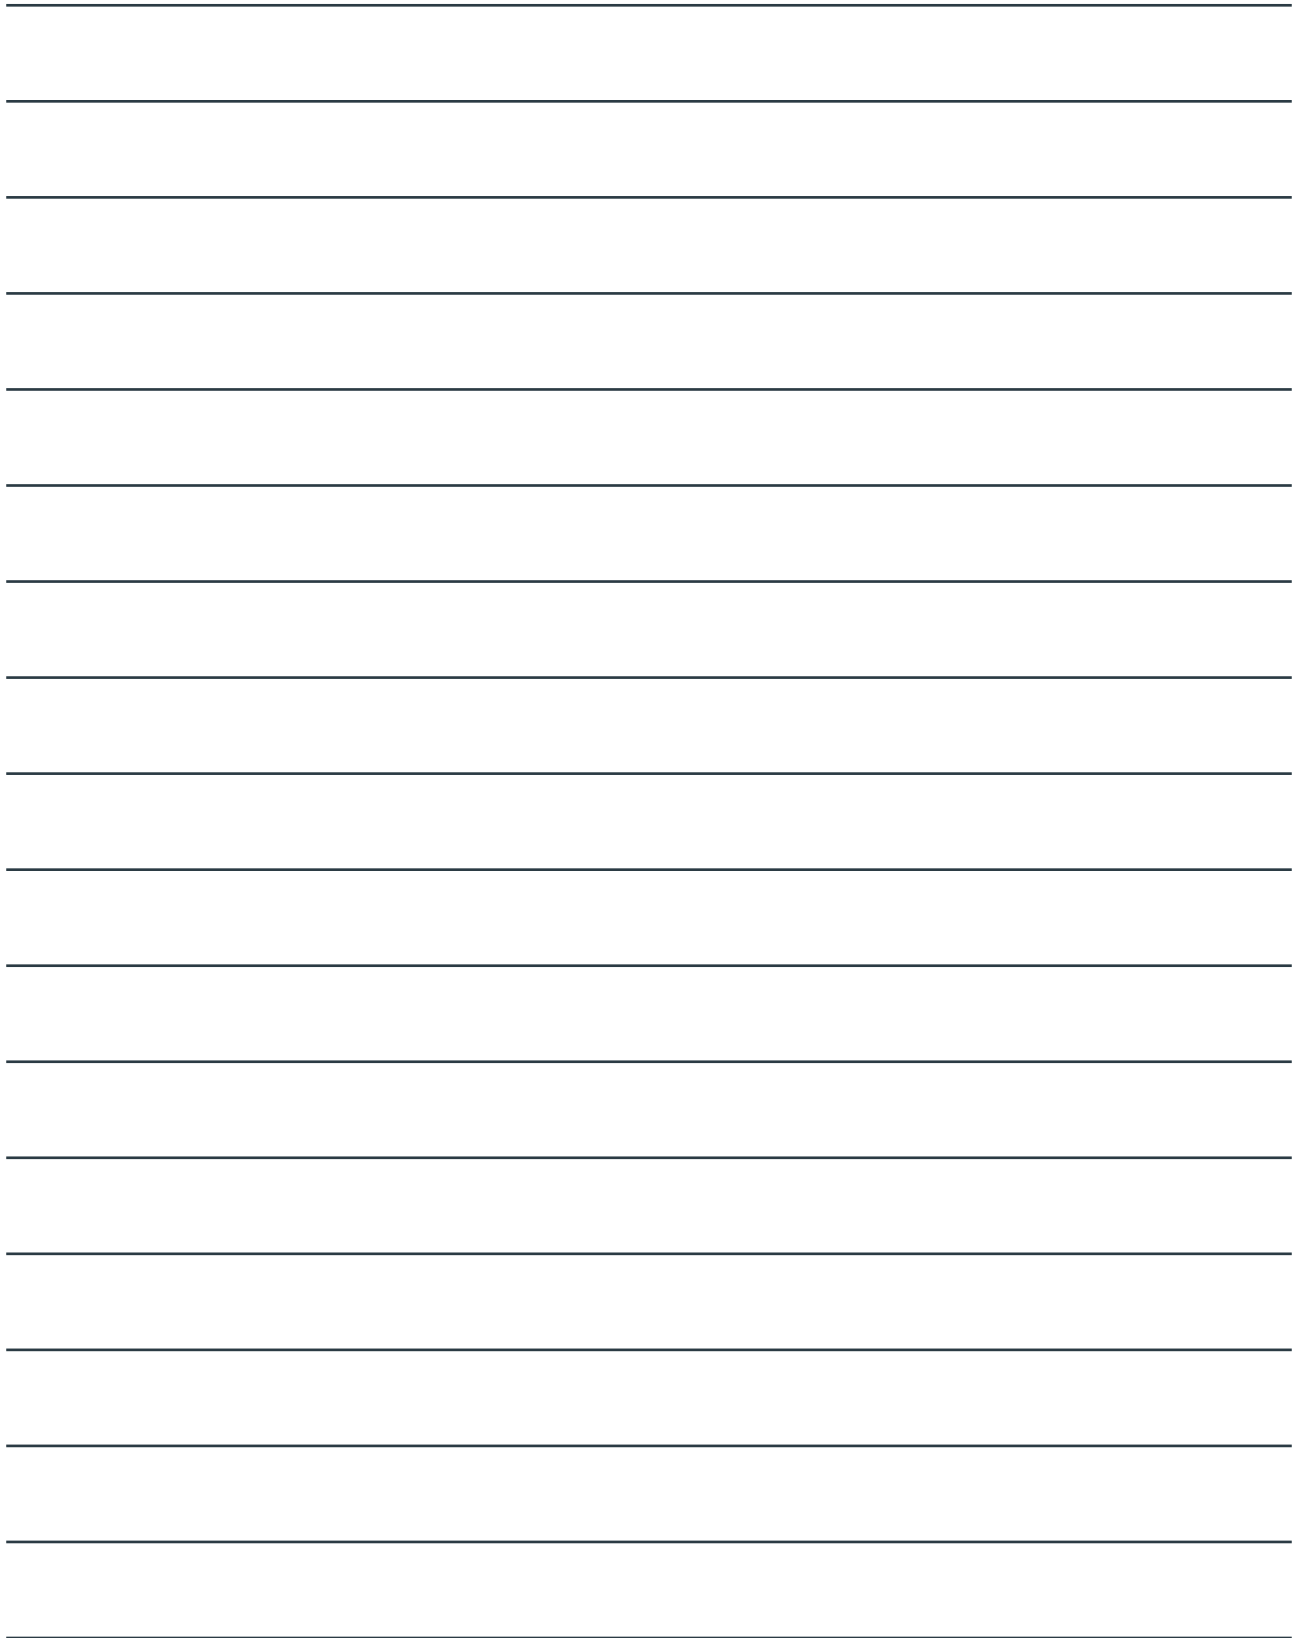

We run a programme of face-to-face and virtual educational and networking events aimed at healthcare professionals.

We can also arrange consultant-led CPD workshops and shadowing at our clinics and in theatre.

To be added to our mailing list and kept up-to-date with our educational and networking events, or to arrange workshops or shadowing, email marketing@fortiusclinic.com
