

Fortius Clinic Wimbledon

Outstanding care in
Orthopaedics and
Sports Medicine

World Class Care, First Class Service

Welcome to Fortius Clinic Wimbledon, a state-of-the-art private outpatient and diagnostic clinic specialising in musculoskeletal care. Our clinic gives you access to the expertise of world-leading consultants in orthopaedics and sports medicine in the heart of Wimbledon.

Whether you are suffering from a niggling sports injury, an ongoing back issue, persistent arthritis in your knee or any other orthopaedic condition, we have experienced specialists on hand to diagnose and treat you without delay.

Our partnership with Spire St Anthony's Hospital allows us to provide orthopaedic surgery close to our Wimbledon clinic. A full range of surgical treatments is available including the latest robotic technology for joint replacements.

We accept patients who have private medical insurance or who would like to pay for themselves.

Our services

- Fast access to diagnostic scanning - MRI, X-ray, ultrasound
- Diagnosis and treatment for a wide range of musculoskeletal conditions and sports injuries
- Orthopaedic surgery
- Robotic-arm assisted surgery for joint replacements
- Pain medicine

About Fortius Clinic

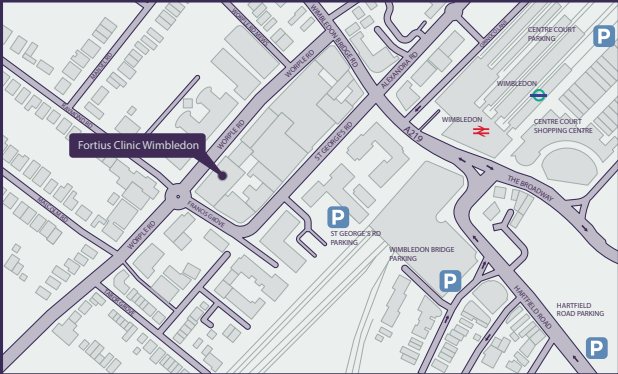

Fortius Clinic is the UK's largest single orthopaedic and sports injury group, founded by doctors with a shared vision to create a worldwide centre of excellence in musculoskeletal care.

Today we have over 100 specialists delivering outstanding care across multiple sites in London including our outpatient and diagnostic clinics, the Fortius Surgical Centre and Fortius Joint Replacement Centres.
